Liquor - Issue from Mangalore WH to depts in S. Kanara Dt

To — dept rate

THE

1312

Last year the sales WH was published before the temporary closure of Ordfc WH was decided upon. Hence it was necessary to have two rates of issue price, one based on the price at Ordfc WH and the other on that at Mangalore WH though the supply was only from the latter warehouse. In effect the position during last year was that the depts formerly supplied from the Ordfc WH had a dept rate of 4 annas 6 pies per gallon while the other depts had a rate of 5 as 6 pies. There is now no justification to maintain the lower rate.

Mrs 13/1/33

Memo

Messrs Parry & Co are informed that the dept rate for 1933-34 will be 5 annas 6 pies per gallon as at present in the case of all depts in S. Kanara Dt supplied from the Mangalore WH.
